

FORM SUMMARY

Name of Form: **Order for Placement (Not Guilty by Reason of Mental Disease or Defect)**

Form Number: **CR-275**

Statutory Reference: §§971.17(3)(c), (d), (e), Wisconsin Statutes

Benchbook Reference: CR 34

Purpose of Form: To order placement either in institutional care or on conditional release for a defendant committed to Department of Health Services (DHS) after being determined to be not guilty by reason of mental disease or defect.

Who Completes It: The court.

Distribution of Form: Court original. Copies to district attorney, defense attorney, DHS, DOC, sheriff, municipal police department and the §51.42 Board of county where defendant resides.

Accompanying Forms: CR-271, Order of Commitment

New Form/Modification: Modified; last update 03/04.

Modifications: Changed Department of Health and Family Services to Department of Health Services (DHS).

Comments: This form was developed by separating placement issues from the initial commitment to DHS. The forms were separated because the commitment is a one-time order while placement can change over the course of the commitment (e.g. a defendant found not guilty by reason of mental disease or defect may be placed initially in institutional care but later may be able to be placed on conditional release and vice versa).

Because placement may vary during the commitment, the form lists checkboxes in the caption for the court to indicate whether this is an initial placement or a subsequent placement.

About this form: **This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.**
